

Food to live by.

Our Farm Stand

Just a few miles down the road from Earthbound Farm's original 2.5-acre farm, our Farm Stand is home to a market, organic café, kids' garden, herb garden, labyrinth, and farm events. Cherished by locals and visitors alike, it is an important manifestation of our mission to bring the benefits of organic food to as many people as possible and serve as a catalyst for positive change. More than 100,000 people visit our Farm Stand every year.

History

- It was established in 1992 as an outdoor seasonal farm stand to sell fresh and delicious Earthbound Farm organic produce.
- A few years later, old Mission Ranch hotel buildings slated for demolition were moved onto the Farm Stand property and repurposed as a permanent structure for the market, and grocery offerings increased.
- In 2003, we expanded the Farm Stand and opened an organic café (at the time, it was just the third certified organic kitchen in the country), and we stayed open year-round for the first time.

The Organic Café

- All our food is certified organic — from our salad bar to freshly toasted panini, handmade pizzas, soups, sandwiches, meals, bakery treats, smoothies, juices, and more.
- The café is led by Executive Chef Sarah LaCasse, whose 29 years of experience as a culinary innovator reflect her passion for fresh and flavorful food.
- Chef Sarah's attention is focused on handmade organic foods that reflect the palette of the fields outside.
- The organic café also provides a venue for testing new products and is the creative crucible for recipe testing and development.

The Market

- Our market offers most of Earthbound Farm's wide selection of organic salads, fruits, and vegetables. All produce sold is certified organic.
- Bunches of spectacular organic flowers are a signature feature, starting with tulips and irises in the spring and featuring dahlias, zinnias, snapdragons, foxgloves, and more.
- The store features Earthbound Farm's famous organic baked goods, including cookies (Ginger Snaps, Lemon Snaps, Chocolate Chip, Oatmeal, and Peanut Butter) and granola (Maple Almond and Cranberry Pecan), plus fresh bakery treats handmade in our organic café.
- The market also offers organic groceries, as well as all-natural gourmet specialty items and a lovely selection of unique Earth-friendly gifts.
