

Earthbound Farm®

Greenhouse Greens

With our new greenhouse grown greens added to our portfolio, Earthbound Farm continues to utilize innovative farming methods to solve different environmental challenges.

- Locally Grown — Indiana facility provides locally grown greens to more Earthbound Farm consumers than ever before.
- Zero Pesticides & Non-GMO.
- Flavor & Variety — greenhouse specific varieties add new flavor and texture experiences to Earthbound Farm's portfolio.
- Sustainably Grown & Packaged — utilizing less water, fewer food miles, and up to 44% less plastic with Peel and Reseal technology delivering consistent quality and freshness!
